1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Karen Canaan on 7/5/06.

The application has been amended as follows:

In claims 22 and 46, please replace "n" with "n1".

In claims 23 and 47, please replace "q" with "q1".

Please cancel claim 60.

In claim 61, please delete "subsequent to (a) and prior to (b)" and insert therefore "in step (b)".

The amendments corrects slight errors in the claims. Claims 22, 23, 46 and 47 refer to "n" or "q" while these variables are not found in any of the preceding claims. Claim 60 is redundant. Claim 61 includes language that is not consistent with the new language found in amended claim 55.

2. The following is an examiner's statement of reasons for allowance: For reasons consistent with those of record, the instant claims are neither taught nor suggested by the prior art. Applicants have amended the independent claims to include limitations previously indicated as allowable. Claims 1 to 6, 9 to 30, 33 to 58 and 60 to 75 are now in condition for allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
